

# Scottish Materials Brokerage Service Update | November 2016

## Residual

- (a) The ITT was issued to the six short listed suppliers on 29 September 2016. The Closing date has been extended from 7 November to 21 November 2016 following requests for an extension from a number of bidders.

## DMR

- (a) Site Visits and early customer engagement taking place. A User Intelligence Group (UIG) event will take place early in the New Year. Further information to follow on this.

## Source Separated - Glass

- (a) Three informal 'fact finding' visits held with hauliers. Outputs to be shared at next UIG Meeting
- (b) Preparation on-going for the Glass UIG meeting planned for 06 December 2016
- (c) A supplier day is being planned for 21 November 2016; preparation also, on-going
