

Food Waste Review Sheet

Use this sheet to record what you find during your Walk Around. Taking photos can be useful to share with your team. Use together with the Walk Around Checklist.

Area/Process Date..... Time.....

Food type	Location	Immediate reasons/root causes	How much?	Cost	Ideas for prevention
E.G. potatoes	Line 1: ingredients	Sacks not emptying fully	<1/10 of a sack		Increase time machine holds sacks to deposit

Area/Process Date..... Time.....

Food type	Location	Immediate reasons/root causes	How much?	Cost	Ideas for prevention

Share your success by submitting your data to WRAP and be part of the fight against food waste, email YourBusinessIsFood@wrap.org.uk

Please note all information will be held in the strictest confidence. Raw data and data relating to individual organisations will not be shared with any third party and outputs based on the data will only ever be published in aggregated form. WRAP will use this data only for the purpose of evaluating the impact of the 'Your Business is Food; don't throw it away' and the wider Courtauld Commitment 2025 voluntary agreement.
